

iLAVA ENTOURAGE Gummies

The “Entourage Effect” refers to the complementary action between cannabinoids and terpenes, which unlocks therapeutic effects beyond those of one individual cannabinoid. By engineering around the known benefits of each cannabinoid and terpene, we are able to tailor our ENTOURAGE products for use at different times of day, with desired effects to suit your individual needs.

ENTOURAGE DAY provides uplifting relief for daytime use.

Per box: 50mg THC + 50mg D8 + 50mg CBG + 50mg CBD

Per piece: 5mg THC + 5mg D8 + 5mg CBG + 5mg CBD

ENTOURAGE NIGHT helps with the transition to peaceful rest at the end of the day.

Per box: 100mg THC + 50mg CBN + 50mg CBG

Per piece: 10mg THC + 5mg CBN + 5mg CBG

ENTOURAGE TWILIGHT provides euphoric relief to help you decompress and enjoy your evenings.

Per box: 100mg THC + 50mg CBG + 50mg CBC + 50mg CBD

Per piece: 10mg THC + 5mg CBG + 5mg CBC + 5mg CBD

Why we are different:

1. Rare cannabinoids for unique and purposeful edibles
2. Additional benefits from synergy between cannabinoids and terpenes (Entourage Effect)
3. Vegan and gluten free
4. Heat resistant—no melting in the Arizona heat
5. Packaged in food-safe and sustainable packaging
